## Friends of Tamarac NWR

We are a group of private citizens that provide volunteer and financial support to Tamarac National Wildlife Refuge. Our friends group, Friends of Tamarac NWR (FOT), was established in 1992 as a 501 (C) 3 non-profit organization.

**Our mission is to facilitate activities and programs that interpret, protect and restore the natural and cultural resources of Tamarac National Wildlife Refuge.**

**FOT promotes the refuge, its volunteer program and visitor services activities. We help with school groups, purchases of educational material, and help develop programs and exhibits. We sponsor various refuge events plus programs in the community. We also maintain a website and publish a quarterly newsletter.**

**Friends of Tamarac, 35704 County Hwy 26, Rochert, MN 56578**
