

National Public Lands Day

Tamarac National Wildlife Refuge

Please join Minnesota Master Naturalist volunteers on September 24th, 2016 at Tamarac National Wildlife Refuge in the nation's largest annual volunteer effort for America's Public Lands.

SERVICE PROJECT

Volunteers will learn about Tamarac's pine habitat and restoration efforts before capping the buds of sapling pine trees to protect the trees from deer browse. In addition, they will learn about and collect seeds from native grasses along the way for a future planting event on the refuge.

WHEN: September 24th, 2016 from 9:00 AM to 3:00 PM

WHERE: 35704 County Hwy 26 Rochert, MN 56578

WHAT TO BRING: Sturdy shoes, appropriate clothing for the field, and water. Bring snacks. Extra water will be available.

FEES: This event is free! Participants who pre-register will be provided lunch and a t-shirt.

TO REGISTER: Please register at <http://www.minnesotamasternaturalist.org/courses/register/?courseId=619> by August 26th.

QUESTIONS?

Please feel free to contact Amy Rager at rager001@umn.edu or Christian Wood wood1145@umn.edu with any questions or concerns.
